

THE JESUS ENCOUNTER
Summer at Neighborhood Ministries

Dear Friends,

Another summer has begun here at Neighborhood Ministries. And despite the hard economic times, our energy and excitement levels are high. We expect Jesus to do amazing things this summer just as he always does.

The Jesus Encounter This is the theme for the summer. Each year, as we pick our theme for the curriculum writing, we ask the Lord for what we all need to be reminded of. These are tenuous days filled with uncertainty. **We all need a Jesus Encounter.**

Summer Team

22 young leaders will work together as the summer intern team. 16 of them come from the Neighborhood Ministries community. Our young people have been in a leadership class all year preparing for this responsibility. This team will be changed by all they do this summer, and inevitably impact others.

Kids Club

This year's Kids' Club is June 29th - July 10th. There will be over 500 kids and 120+ leaders having an amazing, fun and life-changing time together. And again, it is our joy and privilege to work with our sister Kids' Clubs in Albuquerque and Chinle, on the Navajo Nation.

WE ARE MOVING TO E-NEWSLETTERS

In an effort to save money and help the environment, NM is moving to electronic newsletters. **If you would like to begin receiving your monthly newsletter via email, please register online at www.nmaz.org/register or send an email to register@nmaz.org.** Please include your name and address in your email so that we can remove the correct address from our mailing list.

If you do not wish to receive your newsletter via email, then don't worry about it. You will continue to receive your monthly newsletter in the mail.

Thank you for joining our E-newsletter list and helping us save costs.

Camp

Getting into the beauty of God's creation and out of the heat of Phoenix, spending significant time together and growing spiritually are always the hallmarks of camps. Small groups are taking trips together and a few larger camps are also planned. This summer will be an incredible gift of God's grace to so many.

Finances

There are many ways to get involved with us in the summer and one way is to help financially. As we deliberated over the cutbacks earlier in the year, we made a decision to preserve the key components of our summer. Summer is a gift to our NM family that lasts all year. Please help if you are able.

Follow us this summer, through our weekly prayer letters (www.nmaz.org), as we describe for you what our *Jesus Encounters* are looking like. They are certain to be filled with the unexpected, the miraculous and abundant love.

God bless you,

Kit Danley
President

SUMMER PRAYER REQUESTS

PRAY THAT...

1. The children, who have many troubles, will experience the love of God who helps.
2. The emerging leaders will have strength, patience, love, protection for the summer weeks.
3. As the cries of the saints go out, the influence of the evil one would be eliminated.
4. All levels of leadership would love one another.
5. Protection on the road—over a dozen NM vehicles and countless cars.
6. For our program finances and the expenses of the summer.
